FROM THE A30 (LONDON ROAD)

Our Camberley store is neatly located in the centre of the parade of shops in the middle of Frimley Road. Coming from the A30 Blackwater direction you go past the Meadows and turn right at the traffic lights just before the old Camberley Cinema, (Left after the old cinema if coming from the Lightwater direction), and you will be in Frimley Road, follow this down, over the train bridge and we are on the right hand side in the centre of the parade of shops.

FROM FRIMLEY

Coming from Frimley direction you can go straight over the roundabout at the end of Frimley High Street towards Camberley, past South Camberley Primary School on your right, over the roundabout and we are in the middle of the parade of shops on your left hand side.

Alternatively if you are coming from Frimley Park Hospital direction go past the hospital on your right hand side, turn right at the roundabout then follow the directions as above.

FROM FARNBOROUGH

From Farnborough direction head up the A325 Farnborough Road towards Farnborough Gate, (Bradford's roundabout), go straight over then follow the dual carriageway for a short distance, this will go into three lanes, with the left hand lane a feed round to Frimley Road, then follow the directions as above.

PARKING

Parking is usually available outside the shop and there is also a free public car park on the other side of the road of the train bridge, turn right just before Travis Perkins, (Left if coming from the A30), and then an immediate right into the car park. Watchetts Road, GU15 2UZ

BUS ROUTES

The number one bus route stops almost outside our shop.
