## South Farnborough Junior School Author Event

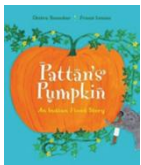

Dear Parent/Guardian

Your child will be attending an event at school with author Chitra Soundar on **Monday 16th March 2026**.

Children are often inspired to read the author's books after a visit and this is a unique opportunity for them to have their own copy signed and personally dedicated by the author. P&G Wells Ltd. Independent Bookshop, Winchester is very happy to be able to offer you an opportunity to pre-order Chitra's books. Please order online through school via Arbor with payment **by Tuesday 10<sup>th</sup> February 2026** to reserve your books in time for the visit. We will deliver the pre-ordered books to school.

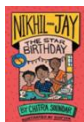

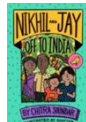

**Chitra Soundar**, is an internationally published, award-winning author of children's books, writer of kids TV, audio and theatre. Her rich storytelling is inspired by Indian myths, legends, and everyday life. She has published over 60 books for children of all ages, widely across picture books, middle grade fiction, and folktale retellings, bringing warmth, humour, and cultural depth to her stories. Chitra's books are loved by readers, teachers, and librarians alike for their lyrical language and engaging narratives that spark curiosity and empathy. She will be talking about these books to the children and some other titles (at the bottom) have been included for choice:

**Pattan's Pumpkin £8.99** [4y+] A beautifully illustrated picture book based on a South Indian folktale about generosity and community. Pattan has an amazing pumpkin... it grows **BIGGER** than the goats, **BIGGER** than the elephants, until it is as **TALL** as the mountains. But can Pattan's pumpkin save his family and all the animals when the storm-clouds burst and the waters rise?

**The Nikhil and Jay stories £8.99** [5-7y] Early readers, perfect for children moving on from picture books to longer stories with chapters, helped by Soofiya's lively and characterful illustrations. This popular series (now on CBeebies) follows two brothers' adventures between cultures and family life. Each book has four short stories, perfect for independent reading, or reading at bedtime.

**Sona Sharma Stories** [6-9y]  
Heartwarming tales of Sona, her family and community.

**Looking After Planet Earth £6.99** [6-9y] Sona Sharma combats climate change. When Sona learns about the climate crisis at school and is very worried that no one is doing enough to combat it, she takes up the challenge herself. But Appa isn't amused when Sona throws out her baby sister's nappies and Thatha isn't happy when she tells him to get rid of his colour-coded plastic files.

Best wishes and happy reading!
