BANQUET

On the final day, the children take part in a themed Roman banquet. This unique dining experience takes place in the historic tithe barn decorated with period-appropriate props. All the guests will be in costume, including the children! This allows them to embrace the period they are learning about.

The banquet includes banquet roast chicken, roast potatoes, corn on the cob and baskets of bread. The meal is finished off with a banquet cake and fresh fruit.

FIRST AID & MEDICAL

We will have fully trained first-aiders on the trip. Additionally, the centre staff are fully trained and each activity that the children do has been risk assessed. Please ensure the school is fully aware of any medical requirements your child has.

Medication

All medication is to be handed in to Mrs Best in the hall on Monday morning. Please make sure that all medicines are clearly labelled with name and dosage instructions and there is enough for the trip if necessary. If your child has an inhaler or AAI in school we will take this with us.

Travel Medication

If your child needs travel medication, please ensure that this is taken before departure and another dose is provided for the return journey home.

DEPARTURE DAY - MONDAY

- The coach will be leaving just after **9:00am** – please do not park at the top of Andrewartha Road/Sycamore Road to enable the coaches have plenty of space to park.
- Children need to arrive at school at normal time (8.30-8.50am) and go straight to the hall.
- Travel medication should be taken if required.
- Medication (if applicable) to be handed in to Mrs Best in the hall.
- Suitcases can be left outside by the picnic benches (if it is wet we will bring them in to the hall)
- Parents are welcome to stay to see the children off. We will dismiss parents from the hall before the children. You can then proceed to the top of Andrewartha Road where the coaches will be parked. It will be really helpful if you could grab a suitcase on the way!

KEEPING YOU UP TO DATE

We appreciate that for some children, this will be the first time they have gone away without you and for some children (and parents!) this can be a worrying time.

Unfortunately, we cannot accept phone calls from parents to check that their child is OK. Please be assured that the children are well looked after and will have a fantastic time as soon as they get stuck in to the activities. If at any point there is a problem, you will be contacted straight away.

We will post daily photos of their activities on both [Facebook](#) and the [Year 4 class page](#) in the evenings. We will do our best to ensure that every child with permission is captured at least once, however, with the number of children on the trip, we may not get them all every day, so please be patient.

COMING HOME - WEDNESDAY

The children will leave Ufton Court , just after lunch.

We anticipate that the children will be back at school at approximately **2.30pm**. If we hear from the coaches that they will be earlier or later by 30 mins, we will notify you via an in-app message on Arbor and our Facebook page (this is often quicker than sending texts which can take some time to go through).

The children will be dismissed from the coaches at the top of Andrewartha Road. We will notify you the day before which coach your child will be on. You are welcome to grab their luggage from the coach as soon as it pulls up.

During this time, it can be very busy, therefore, to enable us to dismiss the children safely, they will only be called off once you have made yourself known to staff on the coach.

EMERGENCY CONTACT

In the event of an emergency only, you can use the following numbers:

8am to 4pm

01252 545682

(School Office)

4pm to 8am

07594 672052
