Y5 Curriculum Meeting

Dear Parents/Carers

We have had a wonderful start to the term and the children are adjusting to Year 5 brilliantly.

At South Farnborough Junior School, we believe that reading, spelling and regular maths practise are the fundamental building blocks for your child's education. The best way to support your child's learning is via the homework set on online platforms such as Google Classroom, TT Rockstars, and Boomreader. In addition to this, there will be the occasional voluntary topic-based homework.

The children should know their login details for these platforms, however, you can download a copy of their login details for use at home via the Arbor app. From the main page, click the 3 lines at the bottom left of the screen, go to report cards and select **online logins**. If you require a paper copy of this, please let us know. If your child has recently joined us, we will send these on once they have been set up.

The expectation for all South Farnborough Junior School children is that they read at home at least four times a week. Please log this on the Boomreader App or contact the school office for a reading record book if you are unable to complete online. Children will receive points and certificates for regularly logging reading each week.

Please remember that there is also lots of useful information on our website. On the class page section, you can find curriculum overviews, spelling lists and other resources to support your child's learning.

<https://www.southfarnborough-jun.hants.sch.uk/topic/children/class-pages/year-5>

We would like to take this opportunity to invite you to a year 5 curriculum meeting in the hall at **3:30pm on Wednesday 23rd September**. If attending, please collect your child first, then proceed to the hall. This will be a chance for you to find out more about our curriculum and to get a good understanding of our learning expectations at South Farnborough Junior School. This will not be a meeting to discuss your child with the class teacher. There will be parent/teacher progress meetings later on in the term to discuss how your child has settled in to year 5.

If you are unable to make the meeting, all materials will be available on the Year 5 class page of the website the following day.

Kind regards
