Dear Parents/Carers

At the beginning of the year, we are asking for your support in recognising the outstanding work of our Headteacher and the dedicated staff in our school.

Our Headteacher and senior leadership team provide excellent leadership, vision and commitment. Through hard work, care and determination, the whole staff have created a positive, inclusive and ambitious environment in which every child is encouraged to achieve their very best in every aspect of school life.

South Farnborough Junior School works tirelessly to provide high quality teaching and learning, nurturing pupil's confidence and wellbeing also tirelessly supporting individuals needs.

As joint chair of Governors, we have seen first hand the happy secure and caring environment your child lives in every day and the great variety of opportunities that they experience every term.

The governing body greatly appreciates the strong partnership we have developed with the school through open communication, mutual respect and shared commitment we work together to support school's continued development, strategic and financial planning ensuring the best possible outcomes for all pupils.

We also value the collaborative relationship with parents and the wider school community. School assemblies, parents' evenings and events are a wonderful way of sharing your appreciation so we hope to meet you there this year.

Thank you for your continued support of our excellent school and help us create a wonderful learning community for children, staff and parents to thrive throughout this year.

"Together we grow stronger"

With best wishes,

Mrs Janet Roberts O.B.E and Mrs Anthea Dwyer

Co-chair of Governors
