Dear Parents/Carers,

T-Shirt Printing

Over the next few weeks, our Year 6 pupils will be learning about the unique style and cultural significance of the Canadian Ojibwe artist, Norval Morrisseau.

In response to their learning, the children will be creating their own artwork inspired by Morrisseau, using oil pastels and printing to convey their interpretations of his distinctive style. As a culminating activity, we are planning to transfer their artwork onto cotton T-shirts, creating wearable pieces that celebrate their creativity and learning.

To ensure that each child is able to take part fully in this project, we kindly request that you provide a T-shirt for your child to use during the final lesson. The T-shirt can be either new or older, as long as it is in good condition and of a single, light colour. In previous years, we have found that a white coloured T-shirt works best.

We encourage you to discuss with your child the colour and size of the T-shirt they would like to bring in for this project. Your support in providing the T-shirt by **Monday 12th October** would be greatly appreciated, as it will enable us to carry out this activity seamlessly and ensure that every child has the opportunity to participate.

Thank you in advance for your cooperation and support in this matter. If you have any queries or concerns regarding this project, please do not hesitate to get in touch with us.

We are looking forward to seeing the vibrant and creative results of our students' artwork as they transfer their designs onto their T-shirts. Thank you for your continued support.

Kind regards,

Year 6 Teachers
